

## Edible Craft of the Week

Crafting is an invaluable activity experience  
When it comes to bonding with friends and family.  
Oftentimes it is difficult to find the time within our busy  
schedules. Our present state of quarantine provides us  
with the time we need to craft with one another.  
Creating new and beautiful things is a wonderful way to  
celebrate and thank God for His many gifts to us.

### Jesus Rises Into the Clouds – “Sky Jello”

#### Ingredients:

1-2 boxes Blue Jello

Whipped Cream  
(homemade or cool whip)

1 tray of ice cubes

Clear glass jars or tall glasses

1. Prepare jello as directed with  $\frac{1}{4}$  less ice
2. Put ice into pyrex
3. Pour hot jello over the ice and stir to dissolve as it thickens
4. Spoon into jars, alternating with spoons of whipped cream
